Notice to Comrades

COMRADES:

In compiling this Roster pains have been taken to make it as complete and correct as possible, but I am aware that many of the members' names do not appear in this Roster who are now living and whose address is not known. I hope that every comrade who receives this booklet will, if he sees any mistakes in the addresses or if he knows of the address of any member whose name does not appear in this Roster, as soon as convenient, write to the Secretary, Dr. E. L. Emerson, New Windsor, Ill., giving the correct information. It is also hoped that the comrades will have arrangements made with their families or friends so in case of their death information will be sent to the Secretary, who will have it recorded in our record book.

No cards will be sent out this year, as this booklet will give notice that our Reunion will be held at Alpha, Henry County, Illinois, August 30 and 31.
